Philips
Pressurised ironing system

GC8260

Great results, minimum effort

Endless, powerful steam with 1.4 Litre water tank

Powerful yet surprisingly compact, this ironing system produces non-stop high steam with high pressure, making ironing fast and easy. Thanks to the 1.4-litre detachable water tank, you can iron for hours without interruption.

Iron up to 3 hours without refilling
- Xtra large detachable 1.4 litre water tank

Faster ironing
- Up to 5 bars of steam pressure for fast ironing
- Steam is ready at maximum level in 2 minutes

Easily removes creases
- Steam boost upto 150 g/min helps to remove stubborn creases
- Continuous steam output up to 120 g/min
- Steam Tip lets you iron right into hard-to-reach areas
- Lightweight iron for effortless ironing

PHILIPS
sense and simplicity

Specifications

Easily removes creases
- Continuous vertical steam: For use on hanging fabrics
- Optimal vent pattern: For the best steam distribution

Reaches into tricky areas
- Button groove: Speeds up ironing along buttons and seams

Full control
- Temperature-ready indicator: Goes off when the set temperature is reached
- Steam-ready light: Shows when right steam level is reached
- Tank empty light: Shows when water tank needs refilling
- Variable steam setting: Variable steam settings to suit every garment

Easy storage
- Cord & hose storage: For a neat storage of cord and hose

Longer lifetime
- Calc clean function: Simply rinse the boiler every 10 ironing sessions
- Inox boiler with external heating element: Calcium will not stick to the boiler wall.

Comfortable ironing
- Suitable for tap water: The iron is suitable for use with tap water
- Extra-large water inlet: For fast, easy filling
- Steam trigger lock: Gives steam without needing to press down
- Extra-long cord: For maximum reach
- Extra-long hose: For maximum reach
- Crystal Clear water tank: Highly visible water level

Safe ironing
- Overheat safety stop: Prevents the boiler from overheating
- Stable heel rest: Keeps the iron stable when standing
- Iron lock: Safely lock the iron on the base
- Four rubber feet: Ensure the stand does not slip

Smooth gliding
- Careeza soleplate: For exceptional gliding on all fabrics

- Supply voltage: 230 V
- Frequency: 50-60 Hz
- Boiler wattage: 1200 W
- Iron wattage: 800 W
- Cord length: 2.5 m
- Hose length: 1.9 m

Weight and dimensions
- Weight (incl. packaging): 6.06 kg
- Dimensions: 350 X 350 X 250 H mm
- Pallet: 48 pcs

Product highlights

Xtra large detachable 1.4 litre water tank
To make ironing effortless you need a lot of steam. High steam output means a lot of refilling. The extra large 1.4 l water tank reduces the need of refilling.

Steam Tip
The unique Steam Tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Lightweight iron
The iron is lightweight, making ironing easy and effortless.
